

MPR MODULE, 15 A, DUPLEX, SERIES SURGE

M-15A-SP |

FEATURES & BENEFITS

Series Protection™ Modular Power Raceway modules enable the industry's fastest-responding series surge protection within the company's configurable vertical power strip system. With the ability to provide series type, non-degrading surge protection to all modules integrated within the MPR raceway, Series Protection modules offer flexibility for protecting all connected equipment.

RoHS

- The industry's only vertical power strip to offer series type, non-degrading surge protection
- The industry's only field-configurable strip to offer series type surge protection
- Provides Series Protection™ to all cascading modules in each circuit
- Module sits on top of raceway channel to allow circuit wiring between modules and unimpeded connection to the termination
- 12 year warranty
- Currently installed "A" version MPR raceway systems can be outfitted with Series Protection™ modules
- ETL Listed
- Provides patented Series Protection™
